

THE CITY OF JOHANNESBURG METROPOLITAN MUNICIPALITY

REGIONAL WORKSHOPS TO DISCUSS THE DRAFT WOMEN DEVELOPMENT STRATEGY FOR JOHANNESBURG

The City of Johannesburg's Community Development Department will be conducting a series of regional workshops in the month of August during which the City's Draft Women Development Strategy will be presented and discussed with organised women's groups as well as women members of ward committees in the respective regions. These workshops will help the City in finalising the Draft Women Development Strategy as well as enable it to develop an implementation plan and a monitoring and evaluation tool for the strategy as it is implemented over the next 5 years.

Organised women groups or other interested parties are requested to kindly liaise with the City of Johannesburg's Regional Offices to confirm their attendance. The dates of these workshops are as follows:
