**AMENDMENT OF PUBLIC ROADS AND MISCELLANEOUS BY-LAWS
TO PROVIDE FOR PARKING METERS**

The Council hereby gives notice that it intends to amend its Public Roads and Miscellaneous By-laws with regard to parking meters.

The purpose of the amendment is to make provision in the by-laws for the introduction of a new parking management system in the City. The proposed amendment provides for

- (a) parking meter marshalls who will issue parking meter coupons via handheld computers;
- (b) parking meter coupons that will display the registration number and the permissible parking period that the driver has paid for; and
- (c) the clamping of the wheels of vehicles that are illegally parked.

It is proposed that sections 1 and 28 of the By-laws be amended. These sections contain provisions pertaining to parking meters.

Any person who wishes to comment and make contributions to the by-laws is hereby invited to do so. The period during which comments can be made expires on 5 July 2010.
