

MANAGED LANES POLICY

CALL FOR PUBLIC COMMENTS

CITY OF JOHANNESBURG METROPOLITAN MUNICIPALITY

The City's Growth and Development Strategy for 2040 identifies the need to reduce traffic congestion and its impact on the City's residents and competitiveness. It identifies that we need a future where public transport, walking and cycling is the mode of choice.

INFORMATION STATEMENT

The City of Johannesburg Metropolitan Municipality intends to introduce a Managed Lanes Policy which sets out the different kinds of managed lanes and managed lanes strategies and defines the process for investigation, implementation and monitoring of the implementation thereof.

The policy identifies that managed lanes can be used to fulfill a number of City and mobility objectives including:

- Increasing average travel speeds and decrease delays in travel;
- Increasing access to major activity centres;
- Increasing transport system efficiencies;
- Improving public transport on-time performance and reliability; and
- Improve air quality and decrease greenhouse gas emissions associated with traffic congestion.

It identifies the following kinds of managed lanes which relate to different managed lane strategies, namely:

- High Occupancy Vehicle lanes and exclusive bus or truck lanes relate to eligibility strategies
- By pass lanes and ramps relate to access strategies

Any person who wishes to comment, object or make representation is hereby invited to do so. The comments, objections and representations should be made within 30 days from the date of publication of this Notice, and must be submitted in writing to the Executive Director: Transportation: Ms Lisa Seftel, P O Box 31923, Braamfontein 2000 or delivered to Transportation's office 8N10, 8th Floor North, 66 Sauer Street, JRA Building, Corner Jeppe and Sauer Streets, Johannesburg, or to email address ianb@joburg.org.za

An information session will be held on 2 March 2012 at 10h00 at the Metro Centre, A lecture Theatre, 158 Loveday Street Extension, Braamfontein.

Copy of the proposed Managed Lane Policy together can be downloaded from City Website on www.joburg.org.za or JRA Website on www.jra.org.za Copies may be obtained at the prescribed fee of 60c per A4 page during business hours from 08:00 to 16:00 on weekdays at the following addresses:
